

# The Depot Artspace

**Contract for 'The Ark'**  
**Depot Artspace Main Gallery,**  
**April 17-29th 2010**

Two weeks dedicated to taking a second look at the relationship between animals and people. Increasingly animals play a significant part in our social lives, sharing our homes, our friends, our activities, as any family member would. Ironically, through the relationships we develop with them, animals humanise us. The exhibition at the Depot Artspace is a celebration, a thanks giving and a reminder of the place that all animals have in our lives and the environment.
